16+ Years Current Role Deputy Manager  
Portfolio ₹4,078.14+ Cr Highway Length  
310.443 km Sector Highway Infrastructure  
Models EPC | HAM ERP SAP MM

### ➤ **EXECUTIVE PROFILE: -**

Planning & Quantity Surveying professional with 16+ years of experience delivering major National Highway projects under EPC and Hybrid Annuity Model (HAM). Experienced in project planning, project controls, quantity surveying, subcontractor billing, SAP MM workflows, highway material reconciliation, DPR preparation, commercial documentation and client coordination.

Currently serving as Deputy Manager – Planning & Quantity Surveying, supporting NHAI highway projects through planning, commercial management, SAP MM operations and project reporting.

Recognized for delivering disciplined planning, commercial coordination, and project controls across large-scale highway infrastructure projects.

### ➤ **PROFESSIONAL HIGHLIGHTS: -**

- 16+ Years of Professional Experience
- Deputy Manager – Planning & Quantity Surveying
- Highway Portfolio Value: ₹4,078.14+ Crores
- Highway Experience: 310.443 km
- EPC & HAM Project Experience
- NHAI & MoRTH Projects
- SAP MM Workflow Specialist
- Commercial Management & Quantity Surveying
- Project Planning & Monitoring
- Highway Material Reconciliation
- Advanced Excel & Reporting Automation

### ➤ **CORE COMPETENCIES: -**
